Working together, we improve people’s lives.

Our goal is to improve the health of people across Vermont and Northern New York by integrating patient care, education and research in a caring environment.

Our locally led, non-profit Network is working to preserve access to care that our patients and families need by focusing on wellness, in addition to disease prevention and treatment, while controlling costs.

OUR INTEGRATED HEALTH SYSTEM

• Academic Medical Center, an alliance of UVM Medical Center, the Robert Larner MD College of Medicine at the University of Vermont and the UVM College of Nursing and Health Sciences.
• 5 Community Hospital Affiliates
• Network Medical Group
• Home Health & Hospice
• Federally Qualified Health Center Partner

Providers, including 1075 physicians and 450 advanced practice providers representing primary care and 30 specialties

15,000+
Employs more than 15,000 people in our region

1,200
1,200 Licensed inpatient beds

2.4M
Patient care encounters at our hospitals, clinics and home visits, including 145,431 ER visits
High-Quality Care. Close to Home.

ELIZABETHTOWN COMMUNITY HOSPITAL BY THE NUMBERS

- **358** Employees
- **37,000** Serves 37,000 residents and visitors to Essex County, NY
- **25** Licensed hospital beds
- **6** Health centers
- **40** Physicians and advanced practice providers
- **64,726** Patient care encounters at the hospital and clinics.

The decline from last year reflects the impact of COVID-19.

ELIZABETHTOWN COMMUNITY HOSPITAL KEY INITIATIVES

- **Transforming rural health care** to ensure exceptional care is available close to home is a top priority for Elizabethtown Community Hospital. The hospital’s Ticonderoga campus, formerly Moses Ludington Hospital, has been completely redesigned into what is today a model for sustainable rural health care. The campus includes a new 24-hour emergency department and primary care center, as well as imaging, physical therapy and outpatient specialty services.

- **Highly-qualified physicians** joined the well-trained and talented team of physician assistants, nurse practitioners and nurses providing care in the Elizabethtown and Ticonderoga emergency departments thanks to a recruitment effort by David Clauss, MD, Chief Medical Officer and Medical Director for Emergency Medicine.

- **Expanding the variety of specialty physician clinics** offered at our Elizabethtown and Ticonderoga campuses is a top priority. Many patients would otherwise have to travel more than 50 miles for the specialty services provided, including cardiology, oncology and hematology, gastroenterology and colorectal screening, gynecology and orthopedics.

- **Creating healthier communities** is a goal served at Elizabethtown Community Hospital through diabetes education, Wellness Rx, a produce prescription program and food pantries co-located in community-based health centers.
